

Addendum-II

Refurbishment, Operation and Maintenance of the Fruit & Vegetable Market located at Mohali on PPP mode

This is with reference to the RFP issued for Refurbishment, Operation and Maintenance of the Fruit & Vegetable Market located at Mohali on PPP mode on 5th May 2015.

Further to the provisions of the RFP, it is specified that the Punjab Mandi Board would have the right to install solar panels, at its own cost, on the roof of the existing structure in the market in order to generate additional electricity to use or sell, as per its own decision. The Punjab Mandi Board would have the exclusive right over the electricity generated and the income generated from these roof solar panels. It is also clarified that all the investment for the installation of the solar panels will be borne by the Punjab Mandi Board.
